

CHAIRMAN DENIES DELEGATES HAVE BEEN HAND PICKED

Anderson Takes Exception to the Charge at Agricultural Conference—Look Toward Making Farming Industry Self Sustaining—Recommend Cut in Freight Rates

(By The Associated Press)

WASHINGTON, Jan. 25.—Proposals looking to development of American agriculture as a self-sustaining industry were considered today by the National Agricultural Conference while its committees continued to work on suggested measures to relieve the present acute situation and provide for general rehabilitation.

The program of addresses which covered marketing problems in many phases was interrupted long enough to permit Chairman Anderson to deny the charge voiced in some quarters that the delegates to the conference were hand picked. Mr. Anderson said that Secretary Wallace despite the shortness of the time in which to select delegates after the conference was called had consulted organization leaders and others in making up his list. Governor Parker of Louisiana, one of the speakers on the program, who was the first to mention the whispered talk of hand-picked delegates at today's meeting, also defended the conference.

WILSON DAM AT MUSCLE SHOALS

Weeks Says He Would Recommend It Without Ford Offer

(By The Associated Press)

WASHINGTON, Jan. 25.—Secretary Weeks informed delegates to the National Agricultural Conference in session here today that "if there was no Ford offer" he would "recommend to congress the completion of the Wilson Dam at Muscle Shoals, Alabama."

The statement was reiterated tonight by the secretary after two conferences with delegates from the agricultural meeting which was called to urge him to favor the purchase and lease of the Muscle Shoals properties submitted by Henry Ford and drafted into a contract already sent to Detroit for his signature.

In reply to questions as to whether he would recommend an appropriation for completion of the dam at Muscle Shoals which he submitted his "comments" which will accompany the contract when it is sent to congress, the secretary said he had made no such statement but had said that if Mr. Ford had not submitted an offer a recommendation involving an appropriation would be made for the completion of the Wilson dam.

The first delegation was headed by Gray Silver, Washington representative of the American Farm Bureau Federation and carried nine other officers of various associations interested in the Muscle Shoals project.

The second delegation headed by Herbert Myrick of Springfield, Mass., was composed of editors of agricultural and farm publications.

DAVID HARUM MAKEUP CAPTURES WHISKY STILL

New York, Jan. 25.—"Izzy" Einstein, New York's most spectacular prohibition agent, today disguised himself in David Harum garb, assumed a nautiche "B'gosh" dialect, hired a creaking surrey, drove into the country north of Monticello, N. Y., and returned ten hours later with three whisky stills, several hundred gallons of mash ready for distillation and several cans of "moonshine" ready for consumption. Incidentally he had served three summonses on upstate farmers, calling for explanations in federal court.

NAVIGATION IS SUSPENDED AT RIGA

Riga, Jan. 25.—Navigation has been suspended in the Gulf of Riga on account of the ice and shipping has become exceedingly difficult in the usually safe port of Revel. This has doubled the difficulties of the American relief administration just at a time when the first big ships carrying American corn for Russian famine sufferers are coming into the Baltic.

THE WEATHER

ILLINOIS: Generally fair Thursday and probably Friday; not much change in temperature. Temperatures.

POOR SERVICE IS BEING RENDERED CARDINAL MAFFI

Italian Press Trying to Influence Sacred College

(By The Associated Press)

WASHINGTON, Jan. 25.—A poor service is being rendered Cardinal Maffi, who is recognized as a possible successor to the late Pope by that section of the Italian press which is representing him as almost subversive to the House of Savoy and declaring that Premier Benini is trying to influence the sacred college, it was said tonight in circles informed as to conditions in Rome.

Discussing the situation resulting from the death of Pope Benedict it was said that no attempt to influence the sacred college was made by the Italian government in the three conclaves which have been held since the fall of 1870 and that if such an attempt had been made a most unfortunate situation would have been created.

In fact it was added the tendency has been quite the contrary in recent years, a more cordial relation also unofficial, having developed under Pius X and under Benedict XV, while Premier Orlando encouraged the plan for a reconciliation with the Holy See.

What the Italian press insists upon is that the status of the Pope in Rome, his freedom from any extraneous influence and his complete independence as a sovereign shall be recognized and guaranteed by the powers. Italian statesmen, however, are hesitant in agreeing to such conditions for fear it was said, that this might provide a pretext for unfriendly countries to interfere in the internal affairs of the kingdom.

The claim for temporal power has been tacitly abandoned, it was emphasized. There was fear of complications, it was recalled after the death of Pius IX for this occurred but eight years after the Pope had ceased being a king and it was only a month after the death of Victor Emmanuel I, at the Quirinal in the same palace built by Pope Paul V, as a summer residence of the pontiffs.

At the meetings of Cardinals which preceded the conclave, Cardinal Manning suggested that the sacred college should adjourn to Malta to elect the Pope while the Spanish Cardinals suggested Spain and the Austrians Salzburg. But which steps were taken to ascertain the attitude of the Italian government, Francisco Crispi replied that the government was in a position to guarantee the complete absolute liberty, independence and safety.

Crispi added that there would be no objection on the part of the government if the Cardinals decided to meet outside Italy and that the members of the sacred college would be escorted to the frontier with honors prescribed for princes of the blood, but he continued:

"I cannot guarantee anything as to the return into Italy of the Cardinals and the new Pope."

The conclave was held in Italy.

PROHI TELEPHONE LINES WERE TAPPED

(By The Associated Press)

NEW YORK, Jan. 25.—When workmen today attempted to take down the telephone switchboard in prohibition Director Ralph A. Day's office evidences were found that outsiders, presumably bootleggers, had for an undetermined period been "tapping" the wires and listening in on telephone conversations in and from prohibition headquarters. The workmen discovered that one of the telephone extensions originally installed in Director Day's office had disappeared. A "live" connection which could not be traced also was found in the telephone board.

The discoveries were made during preparations to remove the headquarters to new offices.

APPOINT MEMBERS TO ATTEND FUNERAL

New York, Jan. 25.—The Union League Club and the New England Society tonight announced the appointment of delegations to attend the funeral of A. Barton Hepburn, author, banker and economist, who died today of injuries received when he was struck by an automobile bus several days ago. The funeral has been set for Friday.

Mr. Hepburn contributed during his lifetime more than three million dollars to educational and philanthropic institutions.

COAL OPERATORS ISSUE BULLETIN

Chicago, Jan. 25.—The Illinois Coal Operators' association today announced that 38,597 miners employed in 99 association mines had produced 1,183,901 tons of coal for the two weeks period ending November 30, 1921. The total disbursement of the 99 mines for the two weeks period was \$2,365,493.79, the report said.

Condensed Telegraphic News

(By The Associated Press)

WASHINGTON, Jan. 25.—Leaders of the senate agricultural bloc have agreed, it was announced today, to press the Cooper cooperative marketing bill for action immediately upon disposal of the foreign debt funding bill now under consideration by the senate.

WASHINGTON, Jan. 25.—The naval fuel ship Arethusa which was reported yesterday disabled off Cape Fear, will be towed to Norfolk by the mine sweeper Red Wing, the navy department was advised by wireless today.

ROCKFORD, Ill., Jan. 25.—Federal and local authorities investigating activities of alleged "dope ring" in Rockford today arrested Mr. and Mrs. Thomas De Sette of Freeport. The De Settes were taken in their room in a local hotel here according to police officials. Quantities of drugs were found. The De Settes were taken to Freeport for arraignment in the federal court. Additional arrests are expected.

DECATUR, Ill., Jan. 25.—J. A. Albert, chief resident engineer on the Decatur water impounding dam gave an illustrated talk before the Illinois Society of Engineers. He went into the technical details of the construction of the \$1,000,000 earth and concrete structure which is to form a lake nearly 13 miles long in the Sangamon river valley, when it is finally closed this spring. Later the engineers visited the dam.

ST. PETERSBURG, Fla., Jan. 25.—Mayor Frank Palmer today had a request from the St. Petersburg Purity League that he appoint a bathing suit inspector, a formal communication from the organization stating "that the league intends to protect the married men from the wiles of the sea vamp."

The mayor said he would personally visit the beach and look 'em over.

NEW YORK, Jan. 25.—At prevailing prices of illicit liquor, seized beverages today before the United States courts here in 518 actions for disposal are worth more than \$4,500,000, according to Assistant United States District Attorney Sanford H. Cohen.

CHICAGO, Jan. 25.—Chicago's criminal record yesterday and last night showed the first serious wave of 1922. One man shot and wounded, probably fatally, two jewelry stores robbed, 28 hold-ups, and more than a score of minor crimes were reported.

KENOSHA, Wis., Jan. 25.—By a majority of 872 votes Kenosha yesterday decided to discard the aldermanic and adopt the city manager form of government.

MINISTER URGES BRIEF HEARINGS

FEDERAL CONTROL OF THE MOVIES TO BE HELD ON SOLDIER BONUS

Name of Postmaster General Crops Out in Discussion

(By The Associated Press)

WASHINGTON, Jan. 25.—Censorship or control by the federal government over the motion picture industry was urged upon a senate judiciary sub-committee today by Rev. William S. Chase, pastor of Christ Church, Brooklyn, N. Y., who brought into the discussion the name of Postmaster General Hays.

The hearing was on a resolution introduced by Senator Myers, of Montana, proposing an investigation of the motion picture industry based on charges that it has entered politics and has passed with the control of Lasky, Fox, Zukor, Laemmle and Loew, and that its influence is to be exerted to obtain the repeal of censorship laws.

The influence of motion pictures on American life was emphasized by Dr. Chase, who asserted that grave danger lay "in the entrance of the industry into politics."

"They have engaged the Postmaster General to be their manager," he said, "and one of the duties which is reported to be assigned to him will be to prevent the adoption of this resolution of investigation."

Dr. Chase termed it "serious" that the man selected for this should have been chairman of the Republican National Committee.

Sensor Myers, author of the resolution, asserted that there was an attempt in certain parts of the industry to use it to promote immorality.

Sensors Shortridge, California, and Ashurst, Arizona, chairman of the sub-committee indicated that the grounds for objecting to the proposed regulation, the former stating that he had used motion pictures in his campaigns and the latter suggesting that Senator Myers' statement was "sounded like those made in the star chamber of England 250 years ago."

The sub-committee will hold further hearings before taking action on the resolution.

CHICAGO COUNCIL ENDORSES SEAWAY

CHICAGO, Jan. 25.—The city council by a unanimous vote today approved the Great Lakes-St. Lawrence deep seaway program endorsed by President Harding.

A resolution was adopted directing the mayor to appoint a special committee to urge congress to order work begun on the seaway and the proposed lakes to the gulf deepwaterway as soon as possible.

The special committee will make a trip to Washington to urge speedy action by congressional committees.

WOULD LIGHTEN BURDENS OF THE SUPREME COURT

May Pass Bill Revising Supervision of Court

(By The Associated Press)

WASHINGTON, Jan. 25.—With a view of facilitating the dispatch of business in the supreme court Chief Justice Taft has suggested to Senator Nelson, Republican, Minnesota, chairman of the judiciary committee, a bill revising the jurisdiction of the court. He proposes that the certiorari jurisdiction be enlarged and the obligatory, or appeal jurisdiction reduced. This will have the effect he stated of lightening the present heavy burdens of the court.

The chief justice also has submitted to Senator Nelson in reply to a resolution of inquiry introduced by Senator Trammell, Democrat, Florida, a statement showing that an examination of the records of the court disclosed that at the beginning of the present term in October there were only five cases which had been argued and submitted at the last term and brought over undecided. It also explained that there were 750 cases on the docket of the court on January 13 of which 227 had been disposed of at that date leaving 478 remaining on the docket to be disposed of.

In a memorandum furnished him by William R. Stanbury, clerk of the court the chief justice advised the committee that at the present time it takes from fifteen to eighteen months to reach a case on regular call.

An examination of the reported cases shows it was added, that the average time between the argument and submission of cases is about sixty days.

With the object of relieving the supreme court of its duties, Senator Trammell today introduced a bill to relieve the chief justice and justices of all jurisdiction imposed upon them as parts of the United States circuit court of appeals with the practice which has grown up of them sitting with these courts. The chief justice, under the bill would no longer be required to assign circuit and district judges, that duty being transferred to the chief circuit judge in commission in the district in which he lives.

PASSENGERS SPEND NIGHT ON TRAIN

(By The Associated Press)

MACKINAW CITY, Mich., Jan. 25.—More than 100 passengers tonight were spending their second night on a Duluth, South Shore & Atlantic train, aboard the car ferry Chief Wawatam, ice-bound in the Straits of Mackinac with prospects of remaining marooned indefinitely.

The vessel was caught yesterday in attempting to negotiate the passage from Mackinaw City to St. Ignace, and while a few of the more hardy of the trains 130 passengers have elected to make the mile trip afoot over the ice to return here the majority chose to stay aboard.

Cards and literature are providing the principal means of relieving the monotony.

The Chief Wawatam made several ineffectual attempts to get under way but could move only a few feet in the ice.

CAMP APPOINTED CHIEF OF CUSTOMS

(By The Associated Press)

WASHINGTON, Jan. 25.—Appointment of Ernest W. Camp of Saginaw, Mich., as chief of the customs division, was announced today by the treasury.

Mr. Camp, who was formerly clerk of the ways and means committee of the house, will succeed George W. Ashworth, who is transferred to the legal division and will take office tomorrow under an executive order of President Harding, pending his appointment as chief of customs without the requirements of civil service examination. The selection of a new chief of customs, treasury officials said, was the first step in a general reorganization of the service.

PRINCE OF WALES WELL RECEIVED

London, Jan. 25.—The Prince of Wales everywhere in the state of Mysore, Southern India, has received an enthusiastic welcome even from the Mohammedans, according to information reaching the India office. Crowds flocked to all the ceremonies held in honor of the prince.

ENTIRE FAMILY IS ASPHYXIATED

McKees Rocks, Pa., Jan. 25.—The family of George Harbisch, consisting of himself, his wife, 31-year-old Mary Harbisch and 18-month-old child, were found dead from asphyxiation today in their home here. Neighbors had seen them last on Sunday afternoon.

STEEF LIQUOR FROM BOOTLEGER

Stoughton, Wash., Jan. 25.—Convicted by a jury in United States district court here of having stolen liquor from a bootlegger, Edward Davis and Edward Miller today faced terms at Mead Island federal penitentiary. Davis was sentenced to serve 18 months and Miller to serve three years.

STILL OPERATORS GIVE BOND

Benton, Ill., Jan. 25.—Eleven men rounded up by federal agents in prohibition raids at Hor in 1914 morning were brought here this afternoon and given preliminary hearings before United States Commissioner Hart. They were released on bond of \$2,000 each and will be tried in Federal court next month. The men were caught operating illicit stills, it was said.

ANTI-LYNCHING MEASURE MAY BE PASSED THIS WEEK

Democrats Practically Solid in Opposition to the Bill

(By The Associated Press)

WASHINGTON, Jan. 25.—Debate in the house on the anti-lynching bill was concluded today and the measure was taken up under the five minute rule which affords members an opportunity to offer amendments.

Republican leaders announced that the bill would be kept before the house until a final vote was reached said they were confident it would be sent to the senate by Friday.

Roll calls during the debate indicated that proponents of the measure were in a majority but it is expected that a number of drastic amendments will be offered. Democrats are said to stand practically solid in opposition.

The session today was marked by a verbal clash between Representative Sisson, Democrat, Mississippi, and Cooper, Republican, Wisconsin, which threw the house into confusion with several hundred negroes in the galleries joining in a demonstration that was silenced with difficulty. The flare up occurred when Mr. Cooper declared Mr. Sisson had "openly advocated" mob rule. Mr. Sisson during an attack on the bill had described conditions in the south and had contended that mob violence could not be stamped out until "black rascals keep their hands off the throats of white women."

MACNIDER TAKES MELON TO TASK FOR HIS ATTITUDE

Says He is Taking a Most Pessimistic View of Bonus

(By The Associated Press)

NEW YORK, Jan. 25.—Randolph MacNider, national commander of the American Legion, issued a statement today charging Secretary Mellon with having adopted a "watch dog of the treasury" attitude toward the bonus question in his letter opposing the measure sent yesterday to Chairman Fordney of the house ways and means committee.

The secretary is taking the most pessimistic view of the bonus situation Colonel MacNider asserting that figures and estimates cited in the secretary's letter did not agree with those compiled by an actuary of the treasury department and submitted by Senator McCumber at the last session of congress.

"We know American people want the bonus," the Legion commander declared. "The adjusted compensation plan would do more to strengthen the economic fabric of the nation than any other thing that can be done at this time."

"Not a single man here believes that all ex-service men will elect the cash bonus as alternative. But when thousands of ex-service men are walking the streets we don't believe they ought to be dictated to as to what form of compensation they ought to take."

NOT MANY WILL AGREE WITH MR. NORTON

(By The Associated Press)

NEW YORK, Jan. 25.—Nicolai Lenine, head of the Russian soviet government may attempt soon to transfer headquarters of his world communistic movement to the United States, Philip Norton, a foreign trade expert, who returned recently from Russia, predicted today at a luncheon of the American Manufacturers' association.

Mr. Norton said Lenine felt that communism had failed in Russia, but that he still believed in the ultimate destiny of industrial democracy and wished to try it out under more favorable conditions.

"When Emma Goldman and Alexander Berkman condemn Lenine," Mr. Norton declared, "the rest of us had better examine him. We may find that he is fighting on our side of the fence."

FORD SIGNS MUSCLE SHOALS CONTRACT

Detroit, Mich., Jan. 25.—The contract covering the proposed lease and purchase of the government's nitrate and waterpower projects at Muscle Shoals, Ala., was signed by Henry Ford and returned to the war department by one of the Ford engineers tonight, a few hours after it had been received. It was announced at the office of the Detroit manufacturer.

The new contract will now be presented to congress by Secretary Weeks.

STILL OPERATORS GIVE BOND

Benton, Ill., Jan. 25.—Eleven men rounded up by federal agents in prohibition raids at Hor in 1914 morning were brought here this afternoon and given preliminary hearings before United States Commissioner Hart. They were released on bond of \$2,000 each and will be tried in Federal court next month. The men were caught operating illicit stills, it was said.

COX ASSAILS POLICIES OF REPUBLICANS

Many Others Join in Anvil Chorus at Dayton

(By The Associated Press)

DAYTON, O., Jan. 25.—National Democracy joined with Ohio Democrats here tonight in paying tribute to Andrew Jackson and voicing criticism of Republican national and state administration. James M. Cox, Democratic standard bearer in 1920, declared that his party stands just where it did "when the votes were counted" and is ready for the next fight. He assailed policies of the present administration including foreign, domestic and economic and in reference to the Washington armament conference asserted that America had refused to accept world leadership.

"Thousands of Republicans" he declared, "now realize that the leaders of their party in the making of policy have been profane of the soul of Abraham Lincoln for the spleen of Henry Cabot Lodge."

Financial depression was due to the "treachery of Lodgeism," he said.

Joining with Mr. Cox in criticizing the Harding administration were Senators Pat Harrison, of Mississippi and Atlee Pomerene, of Ohio; Joseph P. Tumulty, secretary to Former President Wilson; Mrs. Gertrude Breslau-Fuller, of Pittsburgh and J. V. Donahy, Democratic candidate for Governor of Ohio at the last election.

"The record of the Republican administration during the last 10 months is enough to arouse the ire and cause not only a blush of shame but of resentment to those progressive and independent," Senator Harrison said.

Senator Pomerene, besides criticizing the acts of the administration, particularly described the action of the senate in seating Senator Newberry of Michigan.

Senator Harrison paid a glowing tribute to Governor Cox, as a man who "although defeated in the country, has not lost the people he represented."

The Jackson Day observance at Memorial Hall, was attended by representatives of Democrats from every section of the state and by many from other states.

More than 1600 sat at the banquet tables, while three thousand more listened to addresses from the balconies and galleries.

Prior to the meeting tonight leaders present conferred with Governor Cox informally at his home, but it was announced that no policies had been discussed.

STRONG COMPETITION IN GRAIN MARKET

(By The Associated Press)

WASHINGTON, Jan. 25.—The United States must expect strong competition in the world markets for grain during the coming year, according to the survey of the foreign trade in agricultural products issued tonight by the commerce department. For several years the department explained, Europe has been piling up an enormous adverse trade balance so that during the coming year two factors will affect the American market for agricultural products. One will be the ability of Europe to buy under her presented limited export trade and the other the competition which this country may feel from other countries with a surplus of these products.

The gradual lowering of prices throughout the world for the important food products during the past year the department continued, has caused general agricultural districts in practically all the surplus producing countries, such as those in South America and Australia, Canada and the United States.

WILL EXPLAIN DETAILS OF LEAGUE

Quincy, Ill., Jan. 25.—Decision to explain the details of the proposed Mississippi River League personally to those cities which have manifested an interest in the formation of the circuit was reached at a meeting held here today.

Five cities, Quincy, Hannibal, Burlington, Keokuk and Fort Madison are now practically certain to join the league, according to George Thompson, who is in charge of the preliminary work. The next meeting will be held here Feb. 5.

In Kansas City a jeweler who was robbed by a group of bandits has brought suit against the city to recover his losses. He alleges that the city became liable under existing laws because of four or five bandits were permitted to work together.
Wouldn't the city of Chicago be in a frightful financial state if all the firms up there who have been robbed of money and jewelry should bring suits and prove the city financially liable?

Secretary Mellon, unlike some of the public men down at Washington, does not hesitate to say what the cost of the proposed soldiers bonus will be to the people. He calls attention to the fact that the expenditure of \$850,000,000 for this purpose will certainly mean additional taxation.
There have been suggestions that some plan could be worked out whereby the bonus would not mean income taxes. It seems foolish to suggest that such a huge sum of money can be raised without the people bearing the burden of the tax. They would

certainly do it directly or indirectly, for there is no other way. However a great many people are willing to undertake the burden.

READY TO DO BETTER THAN LAW REQUIRES.

The milk producers of Jacksonville and vicinity are indicating their belief that the city council in adopting a milk ordinance had only the best interests of the people at heart. They were convinced too of the desire of the council not to impose unnecessary hardships upon them. So instead of stirring up opposition on the part of the dairymen it is developing that many of them heartily approve of the provisions of the ordinance, which make for more sanitary milk production, and in fact these dairymen are now seeking to make conditions even better than the ordinance requires.
This action shows a good spirit and judgment on the part of the milk producers, and also the advantage of fairness when dealing with any business thru the enactment of local laws.

GARBLED THE PROHIBITION FIGURES.

The charge is frequently made, and is well supported by the facts, that many metropolitan papers constantly handle news matter in a way to prejudice the liquor question and to indicate that the 18th amendment is a failure. For example, a St. Louis paper recently printed an article giving statistics about liquor importations and withdrawals under the head line, "Use of Liquor in 1921 Greater Than in 1920."
The other subject matter in the head was of the same kind, but a perusal of the facts set forth in the story proved that the headlines were not at all explanatory of all the subject matter in fact, the figures went on to show that the production of liquor went down from 173,000,000 gallons in 1918 to just a little more than a million in 1921; that the total revenues collected in 1918 were \$443,000,000 and in 1921 but \$85,000,000.

The time must come when all the newspapers, large and small, must tell the exact facts about the prohibition law and its enforcement and allow the people to form their own opinion.

AGED RESIDENT OF MANCHESTER DIES

Mrs. Elizabeth L. Worrall Passed Away Wednesday Evening—Other Manchester News.

Manchester, Jan. 25.—The death of Mrs. Elizabeth Lawson Worrall came at 5 o'clock Wednesday afternoon at her home here, following an illness of two or three weeks' duration.
The deceased was born Dec. 4, 1848, near Winchester, and spent the greater part of her life in the vicinity of Murrayville and Manchester. She was converted at the Woodson Christian church about thirty-nine years ago and in all the latter years lived a consistent Christian life.
She was united in marriage to J. Worrall of Winchester, on Sept. 28, 1864. Six children were born to this union, three preceding their mother in death. The surviving children are, Mrs. Edward Preston of near Murrayville; Alfred Worrall of Athensville; and Mrs. Elijah Herron, of Manchester. Mr. Worrall passed away Sept. 17, 1912.

Funeral services will be held at 10 o'clock Friday morning at the Christian church here and interment will be made in the Ceres cemetery near Roodhouse.
Surprise Party Given.
Mr. and Mrs. Robert Barber were given a very pleasant surprise Tuesday evening by a party of their neighbors and friends, who went unannounced to their home, a mile and a half west of town. The self-invited guests took oysters and other "eats" along with them and a fine supper was served during the evening. The evening was spent in a very enjoyable social way. The guests were, Mr. and Mrs. Leonard Cooper, Mr. and Mrs. James Whewell, Mr. and Mrs. Alonzo Edwards and sons, Russell, and Paul Wayne; Mr. and Mrs. Walter Whewell and son Wilbur; Mr. and Mrs. L. B. Harding, Mr. and Mrs. David Barber, Mr. and Mrs. Charles Arendell, Mr. and Mrs. Fulton Cuddy and daughters Hazel, Aletha and Glenna, and Miss Fay Greenwell.

THE FRIENDSHIP OF THE LIVING AND THE DEAD.

A bulletin issued not long ago by the United States department of agriculture makes special mention of the benefit to the community resulting from the establishment of an academy in Belleville, N. Y. This institution was founded in 1824 and has created such an atmosphere that everybody in the whole town feels a share and interest in the academy.

The bulletin mentioned goes on to narrate that enthusiasm for the institution is so deep-seated that it has become accounted as the decidedly proper thing for every resident of any means to make some bequest in his will to the academy which has meant so much in the life of the community.

If President Harker and President Rammelkamp find the bulletin referred to they will doubtless want to have it framed and displayed in a conspicuous place in Jacksonville or else they will be sending marked copies to various citizens of Jacksonville.

What a college seems to need most of all is friends of two classes, the live ones in the one class and in the other the departed friends who give proof of their college interest by the language of their wills.

HAVE INVENTED GRADING MACHINE

John Snyder and LeRoy Craig Have Secured Patent on Grading Machine—Expect to Begin Manufacture This Year.

Morgan county residents have built a grader and road maintainer that is said by those who are capable of passing on the merits of the machine to be superior to any yet placed on the market.
The builders and inventors are John Snyder and LeRoy Craig. Both these gentlemen have had years of experience in road construction and maintenance and it was thru their every day problems that they constructed their present machine.

It differs widely from other machines in that it has three knives that can be commissioned to move the dirt at the same time or one can be made to do the work by the simple operation of a lever. The machine can be made to ditch or grade the dirt at will.
Patents have been applied on the machine and they will be manufactured in quantities this year, as already there is a good demand for them. They will be sold cheaper than most machines of this character and it is predicted that there will be a big demand for them both because of price and superior quality.

Mosses Snyder and Craig have a contract with a foundry in Springfield for the turning out of these road machines and several have already been constructed.

M. E. CLEARY HELD SALE WEDNESDAY

Satisfactory Prices Prevailed at Sale Held at M. E. Cleary Farm West of the City—Some of the Sales Recorded.

M. E. Cleary held a public sale Wednesday at his farm four miles west of the city on the Mound road. There were many bidders present and the offerings of livestock, implements and grain all brought very satisfactory prices. The sale totaled something more than \$3750 and was recorded as one of the most successful held for many months.

Wright and Henry were the auctioneers and Bert Killam and S. J. Hamm the clerks. The Ladies' Aid of the Liberty church served lunch.

A few of the sales recorded are listed below:

Horses and Mules.
William Young, span three year old mules, \$410; single mule \$165.
George Calhoun, span mules, \$365.
Frank Ogle team of mares \$180
Philip Cleary, team horses, \$203.50.

Cattle.
Clifford Hopper, cow, \$63.
Clifford Allan, Heifer, \$46.

A quantity of hay sold at 64c per bale and straw brought 44c per bale.

GYMNASIUM AT WHITE HALL COMPLETED

New Building Has Been Turned Over to Board of Education—Other White Hall News.

WHITE HALL, Jan. 25.—Dean Corsa has formerly turned over to the board of education the new gymnasium building on the school premises. Mr. Corsa was construction engineer, and the foreman of construction was Fred Wemken of Gregory Farm. Practically all the labor was donated, and Mr. Corsa's statement to H. W. Shirley, secretary of the board of education, shows expenditures of \$1,850. A few minor details remain to be finished. The structure provides for stabling a year or two hence. It is the largest structure of the kind in this part of the state, being 93x76, 17-foot clearance and 47-foot span. It may result in securing the next meet of the Western Illinois High school association.
V. T. Winters, chairman of the water committee of the city council, stated Tuesday evening that the leak in the city reservoir dam had been stopped, and that a great amount of material is being placed to completely correct the defect. The leak was discovered last Friday morning along the west wall of the spillway, and it was not until Monday afternoon that it was brought under control to where the material could be deposited in an effective way. The stream had enlarged to the proportions of a man's body, and those in close touch with the situation were very much concerned for a time that a further break might involve the whole thing.

Culver Post, G. A. R., is one of the most active in the state, having a membership of twenty at the present time. Meetings are held on call, and new officers for the ensuing year have been elected as follows: Commander, A. A. Lorton; senior vice commander, W. H. Boggess; junior vice commander, L. N. Ballard; officer of the day, J. S. Baker; officer of the guard, John Raines; chaplain J. T. Green; quartermaster and adjutant, G. R. Adams. These officers will be formally installed upon the return of Commander Lorton from Florida.

IMPORTANT CONTRACT

The Russell Stovers Company of Chicago, who invented and patented the process for dipping ice cream in chocolate or other coatings, whose patent number is 1,404,359, has this day sold the right to use their patented formula and wrappers in Jacksonville, to J. W. Merriam of this city, who will install at once the necessary fixtures for turning out the product known as "Eskimo Pie" in large quantities. This is the candy way of eating ice cream. The company has started one lawsuit for \$100,000 against a large firm in Chicago for making and selling an imitation of the patent under a different name, and will start other suits just as soon as they can get to them.
Mr. Merriam is very enthusiastic about his contract, and says it is the best idea ever brought out in the ice cream business.

DEATHS

Intelligence of the death of Edna Grace Mitchell, the seven year old daughter of Mr. and Mrs. E. D. Mitchell of St. Louis, has been received here by friends. Mr. and Mrs. Mitchell were former residents of Jacksonville.
Appendicitis was the cause of death which followed after an operation. Funeral services were held Monday and the body was taken to Paducah, Ky., for burial.
Mr. Mitchell was employed two years ago here by the Cloverleaf Casualty company and lived at 1047 West State street.

FORMER RESIDENT TO BE BURIED HERE

The remains of Miss Mary Longworth were brought to Jacksonville last evening on the Wabash from Quincy, Miss. Longworth, who is the daughter of Mr. and Mrs. John Longworth, former residents of Morgan county, but now of Edina, Mo., died in a Quinby hospital Tuesday after an operation.
She was the eldest daughter of Mr. and Mrs. Longworth and with her parents lived in the Sinclair neighborhood until about seven years ago when the family moved to Missouri. A number of relatives still live in the county.
The remains were accompanied by her parents and the body was taken to the home of her aunt, Mrs. Isaac Bennett on East College street. The funeral services will be held this morning at the Catholic church in Ashland and burial will be in the Ashland Catholic cemetery.
Mrs. Lucy Ransdell was a visitor from Woodson yesterday.

M. E. CLEARY HELD SALE WEDNESDAY

Satisfactory Prices Prevailed at Sale Held at M. E. Cleary Farm West of the City—Some of the Sales Recorded.

M. E. Cleary held a public sale Wednesday at his farm four miles west of the city on the Mound road. There were many bidders present and the offerings of livestock, implements and grain all brought very satisfactory prices. The sale totaled something more than \$3750 and was recorded as one of the most successful held for many months.

Wright and Henry were the auctioneers and Bert Killam and S. J. Hamm the clerks. The Ladies' Aid of the Liberty church served lunch.

A few of the sales recorded are listed below:

Horses and Mules.
William Young, span three year old mules, \$410; single mule \$165.
George Calhoun, span mules, \$365.
Frank Ogle team of mares \$180
Philip Cleary, team horses, \$203.50.

Cattle.
Clifford Hopper, cow, \$63.
Clifford Allan, Heifer, \$46.
A. D. Arnold, yearling bull \$95.

Hogs.
George Woodall, 24 shoats at \$11 per head; 20 shoats at \$10.65 per head.
Roy Baldwin, sow at \$27.50.
A quantity of hay sold at 64c per bale and straw brought 44c per bale.

VERNON BAKER

AILING WOMEN OF MIDDLE AGE

Mrs. Linton Tells How Helpful Lydia E. Pinkham's Vegetable Compound is at This Period
Denver, Colorado.—"I have taken Lydia E. Pinkham's Vegetable Compound for seven years and I cannot tell you the good it has done me. It is good for young and old and I always keep a bottle of it in the house, for I am at that time of life when it is so easy to feel unwell. I have told my friends of Lydia E. Pinkham's help. My husband saw your ad. in the papers and said 'You have taken everything you can think of, now I want you to take Lydia E. Pinkham's Vegetable Compound.' So I let him get it, and I soon felt better, and he told me 'I want you to take about six bottles.' So I did and I keep house and do all my own work and work out by the day and feel fine now. I tell every one about the Vegetable Compound, for so many of my friends thought I would not get well."—Mrs. R. J. LINTON, 1850 West 33d Avenue, Denver, Colorado.

After reading letters like the above, and we are constantly publishing them, why should any woman hesitate to take Lydia E. Pinkham's Vegetable Compound if she is in need of help? It brings relief where other medicines fail.

CHAPIN WOMAN'S CLUB ENTERTAINED

Mrs. Howard Tucker is Hostess to Club Members at Tuesday Meeting—Funeral of Child Held on Monday—Other Chapin News.

CHAPIN, Jan. 24.—Mrs. Howard Tucker very pleasantly entertained the Woman's Club Tuesday afternoon, January 24. Eighteen members responded to roll call by telling of places visited in the United States. During the business session the treasurer's annual report was read. Mrs. Alpha Anderson had a very interesting illustrated paper on "Dependencies of the United States."

During the social hour the hostess assisted by her daughter served delicious refreshments. The next meeting will be February 14th with Mrs. F. R. Kellogg.

The funeral of little Betty Guinane who died at ten thirty a. m. Sunday was held at two p. m. Monday. Burial was in Calvary cemetery, Jacksonville, where the services were conducted by the Rev. Father Cahill. The funeral was private due to the existence of scarlet fever and later followed by bronchial pneumonia which caused the fatal end.

Deceased was born in Chicago July 9, 1916, being the youngest of five children surviving their parents the late Martin and Catherine Guinane.

Since her parents death some years ago, Betty, with the other children have made their home with their faithful aunt, Miss Jennie Guinane and under the able guardianship of their uncle Mr. James Guinane in Chapin.

The taking of this little favorite will indeed mean a sad loss in their home. Sympathy from the many friends of Miss Jennie Guinane is extended to her, the remaining children and their uncle in this great sorrow.

Mrs. J. F. Burnham and Miss Amy Onken were Jacksonville visitors Tuesday.

Mr. and Mrs. Horace Bridgman returned Tuesday from an extended visit in Peoria, Galesburg and New London, Iowa.

E. F. Anubus and C. A. Taylor were business callers in Jacksonville Tuesday.

Mrs. Arthur Burrus of Jacksonville is visiting her parents, Mr. and Mrs. H. Tucker.

Mrs. Fred Eilers entertained the Rook Club Monday night.

ATTENTION G. A. R.

WOODSON S. S. CLASS MEETS WEDNESDAY

Golden Rule Bible Class of Christian Church Met Yesterday — Other Woodson News.

WOODSON, Jan. 25.—The Golden Rule Bible class of the Woodson Christian church met Wednesday afternoon at the church with a very good attendance. Roll call was responded to with enthusiasm and missionary items and this feature proved most interesting. The program also included a paper by Mrs. Fred Kitter on "Reverie in Church" and Mrs. L. T. Fisher gave a reading "Fancy Work Maiden."

After the program came a social hour and the serving of fine refreshments by a committee including Mrs. Charles Watt, Mrs. Charles Newman and Mrs. Stephen Sheltor.

Mr. and Mrs. C. C. Self left on Wednesday for a stay of several weeks in Hot Springs, Ark. They were accompanied by Mr. and Mrs. William Crawley of Jacksonville.

Misses Mildred Wright, Lillian Gordon and Russell Mellor, all of Murrayville, were Sunday guests at the home of Mr. and Mrs. Bert Spainhower.

Mrs. C. S. Martin of Murrayville spent Wednesday with her sister, Mrs. H. L. Owings.

Next Sunday is "Every Member Present" day at the Woodson Christian church. It is the hope of the pastor that every member may be present at both the Sunday school and preaching services.

A chicken pie dinner will be served today at the home of Rev. and Mrs. A. E. Powell.

Dr. and Mrs. R. R. Jones and family entertained at 6 o'clock dinner recently at the home of Mr. and Mrs. Bert Spainhower.

DANCE AT FRANKLIN.
The Modern Woodmen of Franklin gave a dance Wednesday evening at Marquette hall. The attendance was very large and the occasion was greatly enjoyed by all present. Music was furnished by a trio, Miss Dorothea Sargent, Messrs Wilbur Seymour and Russell Roberts.

You can get "White Rock"

Gas and Kerosene, in any quantities, delivered to your home in city or country, Call Ill. phone 1830.

SHERIFF'S SALE.

By virtue of an execution to me directed by the clerk of the circuit court of Morgan county, in the State of Illinois, in favor of The Avers National Bank, a corporation, plaintiff, and against Thomas B. Myers and Rebecca J. Myers, defendants, I have levied upon all the right, title, interest and claim of Thomas B. Myers and Rebecca J. Myers in and to the following described real estate, to-wit:

Beginning at the southwest corner of the Northwest quarter of the southwest quarter of section twenty-nine (29) township fifteen (15) north and range ten (10) west of the 3rd principal meridian and running thence east twenty (20) rods to a stone, thence north twenty-four (24) rods to a stone, thence west twenty (20) rods to a stone, and thence south twenty-four (24) rods to the place of beginning, reserving forty (40) feet on the south side of said tract, the whole length of said tract from east to west, for a street situated in the county of Morgan, in the State of Illinois.

As the property of the said Thomas B. Myers and Rebecca J. Myers, which I shall offer at public sale, to the highest and best bidder for cash in hand, at the south door of the Court House in Jacksonville, Illinois, on Monday, the 27th day of February, A. D. 1922, at 1:30 o'clock, p. m., to satisfy the execution.

W. H. WEATHERFORD,
Sheriff Morgan County.
This 21st day of January, 1922.

Make and Save

Purina does both

PURINA COW CHOW fills the gaps in your home-grown feeds. It supplies every nutrient in which they are deficient—particularly protein and calcium.

Feed Both Calves and Cows The Purina Way

You can feed a calf on Purina Calf Chow for six months for what it costs to feed it on whole milk for 30 days. After the fifth week, you can feed dry Calf Chow. It saves trouble and saves milk. You give the calf a square deal and make more money.

Let us show you how we are putting milk in your neighbors' pails. It will put money in your pocket.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. The pleasant little tablets do the work that calomel does, but have no bad after-effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." They "clean" clouded brain and "purge" the spirits. 15c and 30c

Everybody is Talking Ford and Muscle Shoals

Henry Ford and the influence of the Farm Bureau of the country have brought to the attention of the public the great advantages of the government's Muscle Shoals project and ever since many folks in all walks of life have been preparing for the opportunity to go south.

For Raw Sore Throat

At the first sign of a raw, sore throat rub on a little Musterole with your finger.

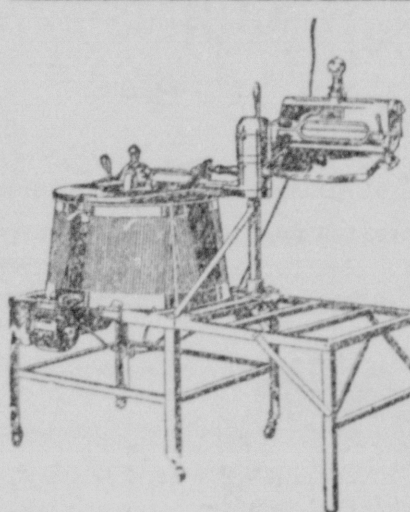

It goes right to the spot with a gentle massage, loosens congestion, draws out inflammation.

Musterole is a clean, white ointment made with oil of mustard. It has all the strength of the old-fashioned mustard plaster without the blister.

Keep it handy for instant relief of colds, croup, and all other ailments of the throat.

It is a MUSTARD PLASTER.

GET MORE EGGS

THIS WINTER—MAKE YOUR HENS FOOT YOUR HOUSEHOLD EXPENSES

Your hens will follow their animal nature and refuse to lay eggs during the winter if you do not feed them a Tonic that will tone up their dormant egg organs and condition their system so that they will be able to lay more eggs.

A laying hen needs good health, good appetite and digestion. Feed your hens

McNess' POULTRY TONIC

It gives the hen an appetite and good digestion. It contains Tonics that tone up the dormant egg organs—then that makes red blood and a red comb. It starts your pullets and hens to laying and it keeps them laying. F. W. McNess' Poultry Tonic will make your hens lay more eggs while prices are high.

Don't delay feeding your hens F. W. McNess' Poultry Tonic any longer—it will tone up the egg organs, which means more eggs.

F. W. McNess' Poultry Tonic comes in 4 lb. packages 15 and 30 lb. pails and 100 lb. drums. Sent to anyone upon request C. O. D.

Make your Hens Lay while Egg Prices are High!

A. A. CLUB OWNERS DECLINE TO ENTER INTO AGREEMENT

Vote Unanimously to Reject \$7,500 Draft Proposal

(By The Associated Press)
CHICAGO, Jan. 25.—Club owners of the American Association today declined to enter into any agreement with the major leagues. The proposal for the restoration of the draft, carrying with it a price of \$7,500 for each player drafted was unanimously voted down at a special meeting called to consider the subject. The major leagues, if they desire to obtain star players from the American association clubs, will have to purchase them outright at whatever price demanded.

The proposal to amend the agreement between the major and minor leagues relating to the draft came from Judge K. M. Landis, commissioner of baseball, President Heydler of the National League and Ban Johnson of the American League constituting the baseball advisory council.

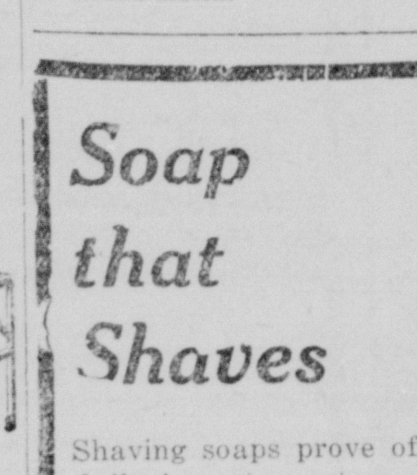

Judge Landis held that restoration of the draft was necessary so that baseball players should advance in their profession.

The American association magnates, however, declined to accept the proposal. The American association is the second of three Class A. leagues in organized baseball to reject the proposals for restoring the draft.

The Pacific Coast League voted it down at its meeting several days ago.

MEYERS WINS FROM KILONIS

CHICAGO, Jan. 25.—Johnny Meyers of Chicago, middleweight, gained his title when he defeated John Kilonis, of Norfolk, Va., in the fourth round of a scheduled 15 round match.

Soap that Shaves

Shaving soaps prove of daily importance to every man. Any man who has a favorite can get his favorite soap here. If you're like to make a change, we can make a recommendation to you. We have soaps in cakes, stocks, powders and creams. And the prices here are the same as they are anywhere else for the same quality goods.

He'll Grow Long

"Tarzan" Larkin, 202-pound Minnesota lumberjack, says he will not cut his hair until he is heavyweight champ. He recently won two matches at Jersey City and wants a match with Dempsey.

MICHIGAN MAY INVITE MEET

Would Have 1923 Intercollegiate Association of Amateur Athletics of America Held at Ann Arbor.

ANN ARBOR, Mich., Jan. 25.—Acceptance of an invitation from the University of Michigan by the Intercollegiate Association of Amateur Athletics of America to hold its annual track and field meet at Ann Arbor in 1923 would mean that the affair would be staged in the west for the first time. That the issuance of such an invitation is under advisement by the Michigan Athletic association is being admitted by Coach Fielding H. Yost, athletic director, but he declared no action had yet been taken on the matter.

Michigan is declared by Coach Yost to be the logical place for holding the meet in the west. Until California won the intercollegiate last spring, Michigan led all western institutions in records at the big meet. Eleven times the Wolverines have sent teams east, and although never finishing first, they were usually well up in the standing.

Ralph Craig of Michigan, a joint holder of the 22 yard dash record of 21 1-5 seconds, which until recently was the world's record. Carl Johnson, the track wonder of a few years ago, is the second individual high jumper in any eastern intercollegiate meet. In 1919 at Boston, he won first in the broad jump, took second in the 100 yard dash, and tied for second in the high jump for a total of 12 1/2 points, almost half his team's total that year.

Michigan's record at the eastern intercollegiate since 1907 is:

- 1907—Michigan, second, 29 points.
- 1908—Michigan, tie for sixth, six points.
- 1909—Michigan, fifth, 14 points.
- 1910—Michigan, third, 20 points.
- 1911—Michigan, third, 24 points.
- 1912—Michigan, third, 15 points.
- 1913—Michigan, third, 19 points.
- 1914—Michigan, third, 29 1/2 points.
- 1915—Michigan, sixth, 14 points.
- 1916—Michigan, sixth, 13 points.
- 1917—No entry on account of the war.
- 1918—No entry.
- 1919—Michigan, third, 25 1/2 points.
- 1920—No entry.
- 1921—No entry.

Whether Michigan will participate this year if the meet is held in the east is undecided.

Ferry Field, where the University of Michigan's athletic plant is situated, is adequate for the staging of a large track and field meet such as the intercollegiate. In 1920 the Western Conference track and field meet was held on Ferry Field and Big Ten teams found every facility for the proper conduct of the meet. The Michigan cinder track, which is one of the best and fastest in the country, has a 220-yard straightaway, a quarter mile track with only one turn, and six lanes can be made in the track.

The javelin throw, pole vault, high jump, and broad jump are run off in the area inside the track. Close, unobstructed views of all the events are afforded from the stands, which will seat approximately 40,000.

EARL EBY WILL RETIRE FROM TRACK

ROCKFORD, Ill., Jan. 25.—Earl Eby, former Penn track star, an present intercollegiate half mile champion will not compete in the Milrose game at New York February 1. Eby himself is the authority for the statement. Eby has won two legs of the Melrose 600 yard cup and has been invited to try for the third leg. He announced that he intends to retire from track work.

ILLINOIS COLLEGE WINS FROM NORMAL

Takes Measure of Teachers By 32 to 24 Score—Men Showed Much Improved Form.

Illinois College showed a reversal of form in the game with Illinois Normal at Normal Wednesday afternoon and won by a score of 32 to 24.

In addition to showing improved form Normal did not prove as tough an opponent as Wesleyan. The teachers used practically every man they had in an endeavor to stem the tide but were unable to stop the Illinois offense.

Capt. Mellon displayed real form in the Normal game. The big fellow outplayed his opponent in all departments of the game. He followed up his shots well and batted in several counters, getting a total of 14 points during the fray.

The other points for Illinois were made by Antrobus, Dale and Cully. Butzow was the main point scorer for Normal getting sixteen of the 24 points scored by his team.

Illinois College will have Eureka College for an opponent on the David Prince floor Saturday night. Eureka had a good team last year and have been playing some good basketball this season. However, if Illinois plays up to form she should be returned the winner. The score:

Illinois	F.G.	P.T.	Tis.
Antrobus, f.	3	4	10
McConnell, f.	0	0	0
Dale, f.	3	0	6
Mellon, c.	7	0	14
Cully, g.	1	0	2
Burris, g.	0	0	0
Struck, g.	0	0	0
Totals	14	4	32

Normal	F.G.	P.T.	Tis.
Watson, f.	1	0	2
Butzow, f.	6	4	16
Dickey, f.	0	0	0
Padley, f.	0	0	0
Sullivan, c.	0	0	0
Changnon, g.	2	0	4
Sterling, g.	1	0	2
Mitchell, g.	0	0	0
Stumer, g.	0	0	0
Totals	10	4	24

JUDGE LANDIS ASSESSES FINES

(By The Associated Press)

CHICAGO, Jan. 25.—The Philadelphia Club of the National League tonight was fined \$200 by Judge K. M. Landis, commissioner of baseball for entering into a secret agreement with Outfielder Ernie Neale, who had presented a claim for back salary due him. The claim was allowed but Neale himself was fined \$100 because of the secret agreement.

When Neale signed with Philadelphia last spring a secret agreement was made in which it was stipulated that Neale would be permitted to leave the club on September 1st to coach the Washington and Jefferson College football team. The agreement provided that Neale would be paid to the end of the baseball season. Subsequently, however, Neale was released to Cincinnati and the existence of the secret agreement did not become known to the Cincinnati officials until a month after Neale reported.

The Cincinnati Club declined to pay Neale for the entire season, but he was paid for the period he remained with the club. Neale appealed to Judge Landis to settle the dispute and produced the secret agreement as evidence.

CHICAGO SKATER LEADS IN POINTS.

PLATTSBURG, N. Y., Jan. 25.—Roy McWhirter of Chicago tonight was leading the point winners in the senior events of the National Amateur outdoor skating championship events at the close of the second day. He had a total of eighty points while Charles Jewtraw of Lake Placid was close behind with 70. McWhirter finished first in the one mile race and third in the 440 yard dash while Jewtraw, with whom he was tied yesterday won the 440 yard dash but failed to be a point winner in this mile event.

B. B. TOURNEY DATES SET.

SPRINGFIELD, Ill., (By the A. P.)—Illinois District Tournament for the elimination of contestants in the Central States Amateur Independent Basketball championship race will be held February 19 and 21. H. C. Callowhill, in charge of the Illinois meets, announced today.

Winners of the entire tourneys will play at Springfield February 24 and 25 for the state championship and the honor of carrying Illinois' standard to the central states meet at Indianapolis in March.

Entries for the district tourneys will close January 25. Mr. Callowhill said. Competition is open to all amateur independent quintets in each state.

The following central states are to be represented in the Indianapolis tournament according to the present program: Illinois, Indiana, Ohio, Michigan, Iowa, Missouri, Kansas and Minnesota.

BLOOMINGTON WINS FROM NORMAL

BLOOMINGTON, Ill., Jan. 25.—At Normal, Bloomington High 26; Normal Community High 21.

ARMY DEFEATS KNOX COLLEGE.

WEST POINT, Jan. 23.—The Army basketball team today defeated Knox College of Galesburg, Illinois, by a score of 28 to 16.

Service Equal to Original Factory Service

Is Given By Us to Ford Car and Fordson Tractor Owners

A dozen special machines have been installed for doing all repair and replacement work accurately as would be done in the factory—all work and machines in charge of skilled Ford Mechanics

Ford cars and Fordson Tractors inspected and expert advice and estimates given without cost, and all work entrusted to us will be done as would be done in the Ford Factory—Correctly and Most speedily

All work done by us will be done at shop cost—that is, on a per hour basis estimated to take care of mechanics' wages only—it is not our plan to endeavor to make a profit on our repair work.

Accurate Factory Service to Ford Owners is the Sole Reason for This Arrangement

FORD CARS AND FORDSON TRACTORS have reached their present wonderful output and universally favorable reputation because of the magnificent and dependable service these products have given their owners, and it is the duty of every dealer to maintain the high standard reached.

AS WITH EVERYTHING IN THIS WORLD, there is in time bound to be wear and there will be accidents causing breakages and other damage that must be repaired, and to maintain Ford Standards only genuine Ford parts should be used, Ford mechanical devices for accurate work, all in charge of experienced Ford mechanics; hence, the installation by us of the dozen or more pieces of Ford machinery, the employment of skilled Ford mechanics, and the offering of this service to Ford owners at shop cost.

THE FORD COMPANY SETS THE PRICE at which their products must be sold, and in the sale of these we derive our income, but to derive

Have Your Work Done by Men Who Work, Think and Live Nothing But Fords

We have given you an outline of what we are doing in this community for all Ford owners, and extend an invitation to you to call at any time and inspect our shop and equipment to see for yourself that we are in position to take proper care of your every need in the shortest possible time and at a genuine saving of not only first, but ultimate costs to you.

Below is a Brief Description of Our New Machinery

- CONNECTING ROD ALIGNMENT JIG**—For straightening and lining up all rods before going into motor.
- 40%.** This machine also limbers up your Ford or Fordson making cranking easy after we overhaul your motor.
- CYLINDER BLOCK REBABBING EQUIPMENT**—This machine enables us to replace your main bearings when your old bearings become worn or loose.
- MAGNETO TEST STAND**—With this equipment we test your coils and magneto, and in a few minutes we can locate your magneto trouble without removing motor.
- BURNING-IN MACHINE**—A big time saving machine, gives you 100% bearing surface. Old system of scraping by hand is only
- ARBOR PRESS**—A quick acting, powerful press to remove and replace bushings, gears, or to straighten bent parts.
- GENERATOR TESTING STAND**—Equipment for repairing Ford starting and lighting system. In a few hours we can make an old worn-out starting motor or generator like new.
- MOTOR STAND**—This equipment enables the mechanic to quickly handle the motor with ease and turn it to any desired position.
- PISTON VISE**—For holding pistons while polishing and working on same.
- POWER DRILL PRESS**—With this machine we rebore cylinders which have become out of round. After this operation your cylinders are like they were when your car was new.
- FOUR CHAIN HOISTS**—These hoists are on double tracks which enables one man to do hoisting that would require four men.
- VALVE GRINDING TOOL**—Makes job one hour's work and a perfect seat where by hand it takes from four to eight hours.

MUCH INTEREST IN COOKING SCHOOL
Nearly Two Hundred Women Present Wednesday — Feeding The Family Subject Today.
That the Courier's Free Cooking School is attracting widespread interest and is proving a great success is evident from the fact that one hundred and ninety-five women were in attendance yesterday at the second session held in the Chamber of Commerce rooms. Miss Elsie Hinkley who is in charge of the school gave a lecture on "Use and Abuse of Fats," and also an interesting and practical demonstration on deep fat frying.
Miss Hinkley pointed out in her lecture the great value of fat as food for the human body. Fat stores up energy for the body, furnishes heat and builds up the fat tissues. The most easily digested fats are the fluid fats and the emulsified fats at the head of

FORMER RESIDENTS NOW LIVE IN WEST
Mr. and Mrs. Abram H. Corman Lived in Jacksonville Many Years Ago—Now in Los Angeles
A number of Jacksonville people will remember Abram Henry Corman, resident here many years ago, as was his wife, a daughter of the late Valentine F. McCormick. Mr. Corman and Miss McCormick were married in Jacksonville at the McCormick home on South Diamond street in January, 1868. For some years they were resident here and in more recent years have been in Los Angeles, where they are now resident at 573 S. Boyle Ave.
Mr. Corman was born in Bellefontaine, Ohio, in 1841 and three years later the family moved to Illinois and to Jacksonville in 1860. In July, 1862, Mr. Corman, who was a printer in the employ of the Journal, left for the war, enlisting in Co. 1 of the 101st Illinois. He saw a long period of service as he entered the army June 28, 1862, and was discharged at Bladensburg, near Washington, June 7, 1865. He bore arms in two northern and seven southern states. At the beginning of the Atlanta campaign the 101st was placed with the 3rd brigade of the 1st division and so remained until the close of the war.
Mr. Corman was in a number of the notable engagements of the war, including Holly Springs, Miss.; Chattanooga, Tenn.; Resaca, Ga.; New Hope Church, Ga., and was in the expedition to raise the siege of Knoxville. In the engagement at New Hope Church he was wounded so severely that he was disabled from taking part in Sherman's march to the sea.
This old soldier is now living quietly in his California home and maintains an active interest in all affairs of the Grand Army, and in the general affairs of life. He will be interested in hearing from any of his friends.
Chicken pie dinner, 40c at home of Rev. and Mrs. Powell, Woodson, Thursday noon January 26. Everybody welcome.
DAIRMEN WORK TO BETTER CONDITIONS
Seek Members for Local Association—To Observe Rules, Even Stricter Than Ordinance Provides.
The local dairymen's association is planning a campaign to increase its membership and so much interest has been shown that there is no doubt about the success of the campaign. Twenty-one members have already been enrolled and it is the expectation that the number will increase to 100 or more as there are at least 125 milk producers who have taken out licenses in accordance with the city ordinance. Persons who are not familiar with the situation were surprised to find that there are so many people who produce and sell milk in Jacksonville. True, there are among the number a great many people who keep only one or two cows but nevertheless 125 persons owning cows and selling milk make up an interested group.
Speaking for the Dairymen's Association, H. J. Rucker, associate county agent, said that it is the purpose of the association to make the standards of milk even higher than is provided for in the city ordinance. To that end there will be co-operation in securing tuberculosis tests for all herds and special attention will be given to the handling of milk wherever it is produced in the most sanitary way.
As indicated, it is the expectation that rules even more strict than those contemplated in the ordinance will be followed, so that Jacksonville people will have the definite assurance of an entirely sanitary and healthful milk supply.
When members of the association have accomplished the things they think should have their attention they expect to ask their customers to co-operate with them to the extent of using special care in the handling of the milk which is delivered to their homes and in the care of all containers and utensils with which the milk comes in contact.
CARD OF THANKS.
We wish to extend our sincere thanks for the car service, floral offerings and kindly acts of friends and neighbors before and after the death of our baby. Mr. and Mrs. George M. Vieira.
HAS YOUNG CHICKENS.

VERNON BAKER
OBITUARY.
Tuesday, Jan. 24, at 2 o'clock funeral services were held at the Gillham funeral home for Little Harold Glenn Vieira, son of Mr. and Mrs. George Vieira, of West Walnut street. He was born Nov. 14, 1921, and departed this life Jan. 23, 1922, being 2 months and 9 days at the time of his death. Though being with us such a short time he was loved by all who knew him, as was shown by the many beautiful flowers strewn upon his little grave. The services were in charge of Rev. W. E. Spooner, who spoke in a feeling manner words of cheer and comfort to the bereaved parents and friends. The flowers were cared for by Mrs. Ellen Nunes, Miss Ruth McDonald, Miss Vivian Vieira. Burial was made in East cemetery.

HOW IS CHURCH TO MEET WORLD PROBLEM OF TODAY?
Rev. Ralph Diffendorfer of New York, will speak at Grace church on Thursday evening of this week on "World Problems and How the Church is Meeting Them." This will be an illustrated lecture. Mr. Diffendorfer is one of the corresponding secretaries for the Board of Foreign Missions of the Methodist Episcopal Church and therefore, has unusual opportunities for knowing what the real situation is in various parts of the world. The missionaries of the Methodist church in the various fields have cooperated with the Foreign Missionary Society in securing some most remarkable views. Mr. Diffendorfer will display these in his lecture at Grace church. Admission free, and people of all ages will find this a lecture of great interest and profit.
Next Sunday morning Dr. Charles M. Barton, of Chicago, will occupy the pulpit at Grace church, and Dr. E. L. Fletcher in the evening.

DETERMINE ROUTE OF NEW HARD ROAD

Col. Miller Notifies C. of C. Hard Roads Committee of Route Between Pittsfield and Winchester.

Colonel C. R. Miller, of the department of public works and buildings, has announced to the Chamber of Commerce Hard Roads committee, that the route between Pittsfield and Winchester has been determined and the field survey accepted.

The work of grading along the Illinois river bluff at Florence will be done by two state road gangs from Joliet and Dwight. The gravel taken from the bluff will be used on the route which runs out of Florence west to Pittsfield and east to Winchester, connecting the county seats of Scott and Pike counties.

This piece of work will be part of the State Bond Issue road, a part of the Ocean to Ocean Highway, which is recognized as the main artery of traffic across the state. This highway connects Hannibal, Jacksonville, Decatur, and Danville, and is a link in the national highway from Washington, D. C., to San Francisco.

The contracts on the Winchester road from here have been held up because the right of way between Lynville and Winchester cannot be secured at this time without condemnation proceedings. A new route over the Phillips Ferry road to Rigstown, following the Burlington right-of-way into Winchester is being surveyed. The Chamber of Commerce expects the contracts to be let by the middle of the summer.

Rollo Six and Joe Carvalho, representatives of Pike county, met with the Chamber of Commerce Hard Roads committee, T. M. Tomlinson, and W. E. Sullivan, and with President R. Y. Rowe, in regard to boosting the hard road construction between Morgan and Pike counties. J. G. Berger and Charles Strawn are two other members of the Chamber of Commerce that have been very active in this work.

The Pike county men report that the heavy grading between Berry and Pittsfield will be started in the spring.

The Chamber of Commerce is keeping in touch with the cities along the Ocean to Ocean Highway, making plans for a Springfield meeting at an early date to bring pressure to bear for the completion of the hard roads along the Ocean to Ocean Highway.

Irregular Hem

Five-green daisies with soft yellow centers cling to the such ends of a Doris Reid frock done in lavender crepe. The irregular hem line is strong in the spring models.

CLUBS AND SOCIETY

Entertains Social Club

The Wednesday Social club met yesterday afternoon with Mrs. W. R. Haneline as hostess at her home on Park Place. The hours of the afternoon were enjoyably spent with sewing and during the time the hostess served delicious refreshments. Mrs. Sullens, Mrs. C. F. Duckett, and Mrs. Filson all of Chapin, were guests of the club yesterday.

Wednesday Class at Ayers Home

Mrs. Walter Ayers was the hostess at the regular meeting of the Wednesday class yesterday afternoon at her home on West State street. Mrs. Lawrence Milligan read a very interesting paper on the subject of "Painters and Painting." During the pleasant social hour at the close of the afternoon the hostess served tea.

Catholic Ladies Aid Met Yesterday

The Catholic Ladies Aid met yesterday afternoon at the home of Mrs. A. J. Gehert. An unusually large attendance was present and a very beneficial business session was held. The social hour was an enjoyable one. The next meeting of the Aid will be held February 8 at the Pacific hotel at which time Mrs. John Doyle and Miss Nellie McGuire will be hostesses.

Alexander Woman's Club Met With Mrs. Jess Proffitt

The Alexander Woman's Club met Wednesday afternoon at the home of Mrs. Jess Proffitt. There was a good attendance and an enjoyable and beneficial program was carried out. The discussion of the last three governors' administration of Illinois was given by Mrs. Frank Johnson and a review of the last three ladies of the governor's mansion was given by Miss Helen Hines.

It was voted to hold a tea next Wednesday afternoon at the home of Mrs. J. W. Rief, the proceeds of the afternoon being donated to St. Xavier's hospital. The hours of the tea will be from 2 to 5 and everybody is invited.

The next regular meeting of the club will be held February 8 at the home of Mrs. C. H. Beerup.

PROGRAM FOR BIG I. O. O. F. MEETING

Members of Urania Arrange Attractive Program for Booster Meeting Tonight—Expect Many Guests.

Urania Lodge No. 242, I. O. O. F. will hold a big booster meeting at the lodge rooms on West State street this evening. Invitations for 150 guests have been issued and a general good fellowship among the members and their guests will be the order of the evening.

The doors to the lodge will be thrown open at 7:30 p. m. and an especially fine program has been arranged to entertain the crowd. Members of Urania Lodge No. 242, Odd Fellows, are expected to be present in a body. During the evening refreshments will be served.

The following program has been arranged: Invocation—Rev. E. G. Stiekney. Vocal solo—Miss Grace Terhune. Violin solo—Miss Christine Cotner. Vocal solo—Miss Helen Weil. Reading—Miss Dorothy Remley.

Address—Rev. A. P. Howells. Vocal solo—Miss Beulah Tuyl. Violin solo—Miss Hilda Van Tuyl. Address—Col. O. C. Smith.

Mrs. Harriet Cole has returned to her home in New York City after a brief visit here with her sister and brother, Miss Alma and Charles P. Gillett.

AUTOMOTIVE MEN PLAN FOR COMING SHOW

Proposition Soon Ready for Coliseum Project—Hard Roads Matters Discussed.

The Jacksonville Automotive Dealers association held its regular monthly meeting last night at the Dunlap hotel. There was a large attendance of members and in addition the following guests were present: George P. Schulte of St. Louis, a representative of the Overland company; C. W. Jacobs of Springfield, a former president of the local association; S. T. McCall, vice president of W. H. Cocking & Co.; Harold Welsh, secretary of the Chamber of Commerce; F. C. Zillman, secretary of the state automotive dealers association, and Gus Waltman.

The regular business session was preceded by a six o'clock banquet served in the private dining room of the hotel.

The Coliseum Plan

A report from the committee on a proposed coliseum for Jacksonville could not be had owing to the absence of the chairman, R. T. Cassell, but it was stated that progress was being made and that it was hoped soon to secure an option on a site that seemed now to be best suited as a location and to have the whole matter in shape to begin consideration of ways of financing.

The projected automobile show, merchants and manufacturers exposition to be held the latter part of March was discussed and Mr. Claus reported for his committee. Mr. Zillman, who has been absent for several weeks visiting in Florida and Havana, Cuba, was present and submitted a proposition to the association looking to the holding of the next show in the Auto Inn. Owing to the absence of one of the members who had a proposition to submit the committee was instructed to hear his report, consider the matter from all angles and make further report. The show is assured and it is promised that it will be a greater success than any yet staged, the question now being only one of location.

Mr. Welsh stated that he was present to tell the members, all of whom were shippers, something in regard to the proposed traffic bureau to be organized in connection with the chamber of commerce and asked for the association's co-operation. Mr. Welsh explained in a very clear and convincing manner the need for such a bureau and how it would certainly operate to the advantage of every Jacksonville shipper.

Mr. Welsh also took occasion to call the attention of members to efforts being made to change certain highways, which change if made would work to the disadvantage of Jacksonville. He said that there was to be a big good roads meeting in Springfield on February 13 and hoped every one interested in the matter would make it convenient to be present.

Mr. Zillman was present for the purpose of interesting the local association in the work that the state association is doing and to urge the local to affiliate with them. He spoke at length and in an interesting way of the benefit the state association had been to the automobile industry in Illinois. Following a discussion the matter was laid over until another meeting.

BUILDING LEASED FOR CLOTHING FIRM

Felix Rothchild Here from Chicago to Make Final Arrangements for Establishment of Factory.

The lease of the Hopper & Hoffmann building at the corner of North and West streets to the Rothchild Clothing Co. was signed yesterday. The contract has been let for the necessary improvements and in the course of a few weeks the building will be ready for occupancy.

Felix Rothchild, president of the company, spent yesterday in the city in conference with Albert Renner and others concerning the affairs of the company's business. Some of the work for the company is already being done in the rooms of the Jacksonville Tailoring Co. and the machinery there will be used until the building just leased is ready for occupancy and the new machinery is received.

The effort on the part of the Chamber of Commerce to secure the names of men and women who are ready to take factory positions when available has resulted in a list of about 300 and more are being received daily by Secretary Welch.

MATRIMONIAL

Doolin-Robinson

The marriage of William J. Doolin and Mrs. Sallie A. Robinson took place at Pittsfield yesterday. The ceremony was performed by the Rev. J. H. Boone and was witnessed by Mrs. W. Robinson and Mr. William Marshall. Mr. and Mrs. Doolin will make their home in Jacksonville.

AUTO ACCIDENT IS CAUSE OF SUIT

W. W. Wright was in Springfield yesterday to appear as attorney for L. L. Burton, the complainant in an automobile accident case which was heard in the circuit court before Judge Smith. One day last summer Mr. Burton driving a car near old Berlin was struck by a machine driven by Mr. Beckman of Sangamon county. Very considerable damage was done to the Burton machine and the action is brought to recover damages.

MRS. V. B. HIGBEE DIES IN OKLAHOMA

Former Resident Succumbs to Burns Received a Week Ago—Burial to Be Made Here.

Relatives here received word yesterday of the death of Mrs. Van B. Higbee which occurred at her home in Oklahoma City, Ok., Tuesday evening. Mrs. Higbee received burns when her clothing caught fire from a gas heater a week ago which resulted in her death.

Decedent was the daughter of Mr. and Mrs. L. P. Hoffman and was born in this city August 29, 1893. She received her education in the public schools of the city, graduating from the high school as valedictorian of her class.

Early in life she displayed great musical talent and entered the Conservatory of Music of Illinois College where she studied violin. She later supplemented this for advanced work at the Chicago Conservatory of Music. She was one of the most talented violinists the city has produced and has done much chautauqua work as well as teaching since finishing her studies.

January 10, 1920 she was united in marriage at Hutchinson, Kansas, to Van B. Higbee an insurance broker who survives together with one daughter Rosemary. She leaves her father, step-mother and the following brothers and sisters, Edward and George Hoffman and Mrs. Henry Teudick of this city, Mrs. Grace Schwartz of Chicago, Mrs. Bert Harrison, Los Angeles, California.

The remains will be brought here for burial arriving Friday afternoon and will be taken to the Gilham Funeral Home. Funeral services will be held from First Baptist church Sunday afternoon. The time of the services will be announced later.

WITH THE SICK

Thomas Worthington of the firm of Worthington, Reeve & Green, is confined to his home on Grove street by illness.

Corinne Mullens, the eight year old daughter of Mr. and Mrs. Charles Mullens of Liberty, is seriously ill of pneumonia. The little girl has been ill since Sunday.

Mrs. Bessie Cubitt is ill at her home on West College avenue.

J. Marshall Miller, who has been confined to his home much of the time for the past few weeks, is now able to be at his office regularly. Mr. Miller has been suffering with neuritis and has not yet completely recovered, altho he is fully able to take care of his law practice and gets about nicely with the aid of a cane.

HUBBLE COMPANY IS INCORPORATED

Local Business Men Join in Company for Manufacture of Tire Chain Fasteners.

Articles of incorporation have been filed with the city, with a capital stock of \$25,000. The main business of the company will be the manufacturing of chain fasteners on which Mr. Hubble holds a patent, but authority is given for the making of chains and other accessories.

Mr. Hubble more than a year ago secured a patent on the chain fasteners which have been quite widely approved. He later determined on the establishment of a factory and a company has been formed of local men with the intention of manufacturing and pushing the sales of the chain fasteners on a large scale.

The simple fastener which Mr. Hubble invented has many points of advantage, and there are reasons for expecting that the sales of the company will grow in a large and rapid way. About forty well known residents of Jacksonville are among the stockholders.

"OVER THE HILL" TO RUN THRU SATURDAY

"Over the Hill", the William Fox stupendous production based on Will Carlton's famous poem, is to be shown at the Grand opera house Thursday, Friday and Saturday. This extension of presentation time has been arranged in response to numerous requests and because of the popularity and excellence of the picture.

Road conditions have not been satisfactory all the week and many requests have come from people in the country to hold the picture thru the week. In order to meet the general demand we made the arrangements with the producers and "Over the Hill" will be seen not only this afternoon and night but Friday and Saturday afternoon and evening presentations.

In addition at 10 o'clock Saturday morning the story will be filmed especially for the benefit of school children. A special admission fee of 15 cents has been arranged in order to make it possible for a big audience of children to see this beautiful film. Stanley H. Wright, Manager, Grand Opera House.

WESTMINSTER BROTHERHOOD

A meeting of the Westminster Brotherhood will be held Friday night at Westminster church. Supper is to be served at 6:30 o'clock after which Rev. W. H. Marbach will give an illustrated lecture on "Egypt and the Pyramids."

REV. A. W. RIDER AT BAPTIST CHURCH

Former Resident Now in Missionary Work in New World Movement of Baptist Religious Society.

Field Secretary of the Baptist Board of Promotion, Rev. A. W. Rider, addressed those in attendance at the prayer service at the Baptist church last evening. Rev. Rider will be at work in Illinois during the month of February. His mission is to work in the interest of the New World movement inaugurated by the Baptist religious society.

Those who heard Rev. Rider last evening were pleased. The speaker is well known to Jacksonville people where he attended Illinois College, from which school he graduated. Rev. Rider was one time secretary of the Jacksonville Y. M. C. A. and during his residence here was active in various religious work.

Rev. Rider is now a resident of Los Angeles, Calif.

FOUND OLD PAPER.

Mr. and Mrs. W. S. Douglas in recently looking over some old papers came upon a copy of the Cincinnati Weekly Commerce, bearing date of March 11, 1868. The paper is one of eight pages, mostly set in solid nonpareil type and no article bearing more than a one line headline. Nearly all of the articles were several columns in length and the whole make up is very much in contrast with newspapers of the present day.

The advertisements printed at that time were few and small in size. According to the market report cattle were selling at that time at prices very little different from those in effect now, but hogs had a range from 4 to 7 1-2¢, very much below the present market conditions.

BUSINESS MEN DISCUSS TRAFFIC BUREAU PLANS

A number of the members of the Chamber of Commerce held a conference Wednesday night to talk over the question of the establishment of a traffic bureau here. Charles Fiedler presided and various phases of the work of the traffic bureau were discussed.

It will cost a considerable sum to maintain a traffic bureau, but the experience of other cities has been that the savings resulting more than justify the expenditures. Some further investigation will be made before the committee here takes any definite action.

Belgrade, Jan. 25.—The trial of a number of Communists who are charged with having been implicated in the plot to assassinate King Alexander when he was prince regent, began today. The 34 defendants include four members of the chamber of deputies.
